

## Corporate Fact Sheet

History	<p>Established in 1995, D'écór de Paris is a distributor of distinctive textiles, casements and trimmings carefully selected from all over the world. Founder Benjamin Ravan seized an opportunity to bring the beauty that he had witnessed throughout his travels to the world of fine textiles and trimmings. Over the last 15 years, the company's portfolio has evolved from local residential projects to many of the most exquisite homes and hotels around the globe.</p>
Services	<p>We specialize in giving life to designers' visions in order to bring their ideal aesthetic to any project, for residential and hospitality jobs alike.</p> <p>In addition to stocking all fabrics and trims locally for immediate shipping, D'écór de Paris provides in-house custom design capabilities as well.</p> <p>With an astute understanding of what it takes to achieve success for hospitality projects, the company has mastered the art of custom design for items ranging from one inch gimps to eight foot tiebacks.</p>
Locations	<p>With corporate headquarters in Los Angeles, D'écór de Paris is represented in showrooms across the country including Allan Knight &amp; Associates in Dallas, Blake House in Laguna Niguel, Charles Spada in Boston, Nessen Showroom in Dania Beach, Shears and Window in San Francisco and Travis &amp; Company in Atlanta.</p>
